Quote: I always find beauty in the things that are odd and imperfect - they are much more interesting...

After all if you can't be chic be odd... Ha, ha, ha... **Boo!**

I am looking forward to the fall season and upcoming Holidays, how about you? It's a magical time of the year. Hope you enjoy it as much as Charlie and I will.... oh and Nuisance, the cat, of course.

Reflections from Shara

September has come and gone, but I was fortunate to be in Portland, one of my favorite cities last September. It's so green and full of flowers, okay some rain comes with it, but it all evens out in the end. I always look forward to the Raindrop Chapter Convention. Everyone is so friendly. Let's not forget the Tole Fairies were together again! What a time we had, it was amazing!

October, almost over now, held my Fall Seminar in my home town of San Diego and Brushwhacker Autumn Get-Away Weekend. Two great events!!!

All and all and in between all this I teach in a wonderful shop in El Cajon, California called Art Creation Plus. I love this shop! Not many shops left across the U.S. and we need to support the ones we have left. Small shops have always been close to my heart as I was a shop owner for 12 years. I know the hours and sweat that goes into it. I also know the rewards! There are many friendships over the years that extend beyond the painting world. I feel for new painters who are trying to learn their crafts by sitting in front of their computer screen. They will miss all of the good stuff I have received from classes in a shop.

Another loss to our painting world is a long time shop (30 plus years), The Folk Artist of Huntington Beach, California. They closed their doors at the end of the September. Oh my! Kitty and Ct provided a great place for painters to gather and expand their world. I cannot put into words the loss I felt. Ct is moving on to spend more time with her grandson Jasper. She also works full time at another job. Again many friendships made and not forgotten, we have not heard the last from Ct, I'm sure of it.

November and December are busy months also, with holidays in between!!! I will have another seminar in Fallbrook. Windy Young will come to California by way of Pennsylvania to help us with her special brand of sculpting. We will also learn wonderful techniques for Christmas ornaments. November also brings me to Kreative Klutter in Hesperia, California. We have two days of painting special projects. Can't wait to be with the Apple Valley girls!

For me, December brings Christmas parties! Two long time classes from my shop days - get together for our annual Christmas Parties. We exchange gifts, eat and be very merry. It's a nice way to stay in contact and keep up with everyone's life. And another year is gone by in a blink!

Welcome to 2018! Another busy year for me! Watch for the Newsletter for news on all things Angel Thyme.....

The Class Reunion

A woman attends her husband's class reunion and together they sit at the tables inside and enjoy watching the other people playing who's who. They spot a woman sitting alone with multiple drinks in front of her.

The wife asks, "Do you know who she is?"

He leans close to her ear, "Yes I do. In fact, we used to date for a long time back in the day."

His wife responds. "Oh dear and she's still drinking after all this time!"

Rosie Mae Thyme has been perusing the files on Pinterest searching for the perfect recipe and I believe she has found it. Rosie says she doesn't know how quick it is to make, but it is easy enough, very tasty and perfect for gift giving. As a recipient of this bread, I definitely concur! It is delicious! A perfect hostess gift. Yummy! Thank you Rosie Mae!!! Keep up the good work Sweetie, we all appreciate it!

Cream Cheese-Filled Banana Bread

Rosie Mae Thyme - Angel Support - Pinterest Recipe

Directions:

1. Preheat oven to 350F. Spray one 9x5 inch loaf pan with floured cooking spray, or grease and flour the pan; set aside.
2. **Bread** - In a large bowl, add the egg, sugars, coconut oil, sour cream, vanilla and whisk to combine.
3. Add the banana and stir to incorporate.
4. Add 1 cup flour, baking powder, baking soda, optional salt and fold with spatula or stir gently with a spoon until just combined; don't overmix; set aside.
5. Turn about two-thirds of the batter out into the prepared pan, smoothing the top lightly with a spatula and pushing it into corners and sides as necessary; set aside.
6. **Cream Cheese Filling** - In a large bowl, add all ingredients and whisk to combine. Alternatively, mix with a hand mixer.
7. Evenly pour filling mixture over the bread, smoothing the top lightly with a spatula and pushing it into corners and sides as necessary.
8. Top with remaining batter, smoothing the top very lightly with a spatula as not to disturb cream cheese layer and pushing batter into corners and sides as necessary.
9. Bake for about 48 to 50 minutes or until the top is domed, golden, and the center is set, and a toothpick inserted in the center comes out clean, or with a few moist crumbs, but no batter. Note this is tricky because the cream cheese never gets totally solid so the toothpick test isn't the most accurate. **TIP** - tent the with a sheet of foil draped over it at the 30 minute-mark if you feel the tops and sides will become too browned before center cooks through baking times will vary based on moisture content of bananas, cream cheese, climate, and oven variances. Bake until done; watch your bread, not the clock.
10. Allow bread to cool in pan for about 15 minutes before turning out on a wire rack to cool completely before slicing and serving. Optionally, serve bread with Honey Butter, Cinnamon-Sugar Butter, blueberry Butter, Strawberry butter, or Vanilla Browned butter Glaze. Bread will keep airtight at room temperature for up to 1 week, or in the freezer for up to 6 months.

ENJOY!
