QUOTE: "You can't use up creativity. The more you use, the more you have."

~ Maya Angelou

What a huge busy year for me with no end in sight! I'm loving all the travel but it leaves me little time to create new things! I was hoping for a NEW BOOK this year and maybe new Angel Thyme patterns hummm - did not happen...

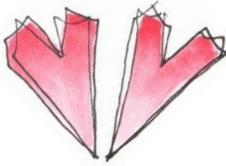

However, Jane Allen of www.janeallencreates.com and myself spent some time together and during that time, "SharaJane" was born! These are new sculpting patterns with which to create ornaments in Shara's style. Each pattern will have two ornaments with complete step by step instructions and pictures. You will also have a link to Jane's website to view a video if you want to follow along that way. I'm excited to see where this goes!!! So are we!!!

SHARA (858) 395-7588

In February 2019, I'm so happy to let everyone know Julie Haymaker will be here for a two day Shrink Jewelry Class. I rent a wonderful retreat center in Fallbrook, California for a true get away. Our Debby Johnson will make sure our tummies are full, Julie Haymaker will teach us her wonderful jewelry designs, while we laugh and enjoy our time together. Let me know if you need more information.

In June 2019, I will have a "Missing Seminar Retreat"! Taught by myself, Shara!

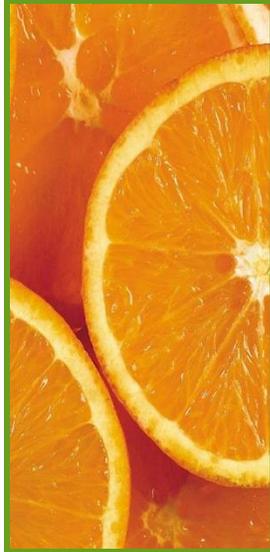

We will be in Fallbrook, California - feasting on the Culinary Delights prepared for us by the always delightful Debby Johnson. This retreat is designed for those of you who did not get to come to one of the seminars. I will send a list of seminars available, you pick the one you want and we will play catch up. For those who come to every seminar, there are many, I will also have a new seminar project to pick from.... The retreat center will sleep 16, you do not have to stay, there is a reasonable motels close by... I do not provide back and forth pick up from the motels. However, I will pick you up and deliver to the airport if you fly. Again email me if you need more information. **These two seminars sound like so much fun! Woohoo!!!**

Rita Reade sent this fresh and fruity Sicilian salad. SOOO TASTY!!!
This is sure to be a fan favorite, just in time to bring Summer into Fall and dress up any holiday table. Thank you Rita.

Also for everyone out there in newsletter land, Rita says that the recipe yields 6 servings so keep that in mind when you make this for your gathering.

Shara made quite a lot of it, it was that good! So fresh!!!

- 1 medium red onion, sliced very thin
- 8 large fresh basil leaves, shredded
- 3 tablespoon extra-virgin olive oil

2. Arrange on a large platter.
3. Lay onion on top of the oranges, sprinkle with shredded basil.
4. Drizzle with olive oil, season generously with fresh ground pepper.
5. Cover and let stand at room temperature at least 2 hours.
